## Summer 2020 KOSIME Academic Conference

May 4th, 2020

Since 1992, Korean Society for Innovation Management and Economics (KOSIME) has been hosting academic conferences in the fields of innovation: Technological Systems Management, Economics and Technology, and Science and Technology Policies. KOSIME has a goal to develop and disseminate new theories, knowledge, and policies through interdisciplinary studies and research in management/economics/policy/engineering of Technological Innovation, striving to contribute to the development of an advanced science and technology-based society.

The 2020 Summer Academic Conference will be held in July as follows. We look forward to your participation.

- Date and time: July 3-4, 2020.
- Location: Ramada Plaza Jeju Hotel (On-line conference will be held if COVID-19 spread continues)
- Theme: Innovation in the Age of Industry 4.0: A reexamination of the functions and roles of industry-academic relations.
- ※ **Submission deadline for abstracts and completed works: June 6th, 2020**  
(<https://technology.or.kr/>)
- ※ Applications for presentation to last cancelled Winter Conference will be transferred to the Summer conference. Please contact [sime@daum.net](mailto:sime@daum.net) if you don't want to present

May 5th, 2020

President of KOSIME: Johng-Ihl Lee  
Chairperson of the Organizing Committee: Jungwon Lee

Chairperson of the Academic Committee: Yeonbae Kim

## 1. Fields of Conference Papers

- I. Management of Technology
- II. Science and Technology Economics and Policies
- III. Theory of Technological Innovation

- 1) General Paper Presentation
- 2) Masters and Doctoral degree Candidate colloquium
  - Students who are in the master's or doctoral program of graduate school should write and submit within 10 to 20 sheets of A4 paper, summarizing the research direction and contents of an in-progress or planned thesis, even if it is not a completed work.
- 3) Paper Submission Deadline (
  - Application deadline for abstracts and completed works: June 6, 2020
  - Papers written in full paper form will be accepted first. However, if there are too many submissions, they will go through a screening process and be reviewed.

*\*Further details on paper submissions <https://technology.or.kr/>*

- The abstract must not be longer than 1 sheet of A4 paper or 500 words.
- Except for lectures and tutorials, all published abstracts and final papers should be written in HWP (Korean Session) or Word (English Session) and should be no more than 10 to 20 sheets long, in the sequence form of abstract-text-references.
- Please indicate your name, affiliation, contact information, desired presentation area (general, postgraduate (master's, or doctoral degree)), and whether you would like to present during the English presentation session.
- **Please refer to the attached file (submission form (Summer conference).doc) for detailed instructions.**
- The best paper will be selected for each category among the papers presented and will receive an award. The selected papers will be supported with the review fee upon submission to the technical innovation research.
