

Call for Papers

Summer 2021 KOSIME Academic Conference

Since 1992, Korean Society for Innovation Management and Economics (KOSIME) has been hosting academic conferences in the fields of innovation: Technological Systems Management, Economics and Technology, and Science and Technology Policies. KOSIME has a goal to develop and disseminate new theories, knowledge, and policies through interdisciplinary studies and research in management/economics/policy/engineering of Technological Innovation, striving to contribute to the development of an advanced science and technology-based society.

The 2021 Summer Academic Conference will be held in July as follows. We are looking forward to your participation.

- Date and time: July 2-3, 2021.
 - Venue: Ramada Plaza Jeju Hote (Quarantine measures will be prepared according to social distancing regulations including switching to online conference)
 - Theme: will be announced later on
 -
- ※ Submission deadline for abstracts and completed works: June 9th, 2020
(<https://technology.or.kr/>)

April 9, 2021

The President of the KOSIME: Jungwon Lee (STEPI)

The Chairperson of the Organizing Committee: Won Jun Kim (KAIST)

The Chairperson of the Academic Committee: Yeonbae Kim (Seoul National University)

The Chairperson of the Planning Committee: Jeong Hoon Lee (YONSEI University)

The Executive Secretary of the KOSIME: Ji Hoon Lim (Hoseo University)

1. Fields of Conference Papers

- I. Management of Technology
- II. Science and Technology Economics and Policies
- III. Theory of Technological Innovation

- 1) General Paper Presentation
- 2) Masters and Doctoral degree Candidate colloquium
 - Students who are in the master's or doctoral program of graduate school should write and submit within 10 to 20 sheets of A4 paper, summarizing the research direction and contents of an in-progress or planned thesis, even if it is not a completed work.
- 3) Paper Submission Deadline
 - Application deadline for abstracts and completed works: June 10, 2020
 - Papers written in full paper form will be accepted first. However, if there are too many submissions, they will go through a screening process and be reviewed.

**Further details on paper submissions <https://technology.or.kr/>*

- The abstract must not be longer than 1 sheet of A4 paper or 500 words.
- Except for lectures and tutorials, all published abstracts and final papers should be written in HWP (Korean Session) or Word (English Session) and should be no more than 10 to 20 pages long, in the sequence form of abstract-text-references.
- Please indicate your name, affiliation, contact information, desired presentation area (general, postgraduate (master's, or doctoral degree)), and **whether you would like to present during the English presentation session.**
- **Please refer to the attached file (submission form (Summer conference).doc) for detailed instructions.**
- **The best papers will be** selected for each category among the papers presented and will receive an award. The selected papers will be supported with the review fee upon submission to the technical innovation research.
- **Presentation material (ex: PPT file) should be prepared (by speakers) for the presentation**

2. Registration for attending the conference

1) Participants and Others

- The applicant (all authors) must be a member of KOSIME to present, but both members and non-members can participate for general attendance.

2) Participation fee: 50,000 KRW for students, 100,000 KRW for members and 160,000 KRW for non-members (new fee will be announced again if switching to online conference)

3) Online Registration:

- Period of registration: 2020. 06. 10 ~ 2020. 06. 26
- Website for online registration: <https://technology.or.kr/>

4) Accommodation information: will be announced later

※ conference schedule will be announced later on the homepage of KOSIME
